of Development and Engineering

SUBJECT : Delegation of Contracting Authority

REFERENCE : DDS&T-2667/73, dated 28 August 1973,

STATINTL To: [REDACTED]
Same Subject

1. Transmitted herewith is your delegation of contracting authority effective 28 August 1973.

2. This authority is delegated to you for those procurements necessary to support OD&E programs that are not national programs and are not associated with national programs subject to the following:

a. You will insure prior to the execution of any contractual document or the issuance of a notice or authority to contractor to proceed that appropriate funds are available for the proposed action and further that appropriate approving officials within OD&E, DD/S&T or the Agency have given program approval.

b. You will insure that contractual documents or commitments issued or made by you conform to policy directives issued by the Director of Logistics.

3. You are requested to advise the undersigned of any matters concerning the execution of contracts under this delegation of contracting authority which in your judgment are significant.
